

Directions from the Radisson Blu To Mall of America Executive Center

Walk towards Mall of America via the skyway connecting to the hotel. Once inside the Mall, walk straight ahead towards the elevator and take it to Level 4. Exit the elevator towards the movie theater and take a left. Continue down the hallway (away from the movie theater) until you come out by Dick's Last Resort. Stay to the left and continue down the hallway past Sky Deck. At the end of the hall you may see an "emergency exit" sign, but disregard. You will see well-lit wooden doors and have arrived to the Executive Center.
